SIMCHAT TORAH

The Meeting House
5885 Robert Oliver Pl, Columbia

In collaboration with Bet Aviv, Columbia Jewish Congregation and Kol Nefesh

Rejoicing with the Torah

That's the meaning of the Hebrew words Simchat Torah. This is the super special holiday where we read the last 3 and first 3 verses from the Torah, completing the cycle of Torah readings; another year of learning from our sacred text and applying its lessons to our own lives.

Please join Cantor Steve Hummel, Rabbi Linda Joseph and Cantor Stephanie Weishaar as we un-roll and re-roll the Torah, dance, sing, celebrate and give thanks for this enduring gift.

We appreciate your registration by Wednesday, October 4.
