

## **Bet Aviv Archives Policy**

### **Purpose:**

The purpose of the Bet Aviv digital archives is to capture and preserve Bet Aviv's unique history through a series of photographs, interviews, artifacts, meeting minutes, newsletters and other documents. It is the hope of our congregation that providing a key to our Jewish past will promote and embellish our connection with those who came before us, encourage pride in who we are today, and serve as a road map for future generations.

### **Archive Access:**

Because of the confidential nature of some of the personal and financial sections of the archival records, access to the Bet Aviv digital archives will be only granted, upon request, to Bet Aviv congregants in good standing as well as to scholars and researchers of Jewish history, upon request, and at the discretion of the archival chair or committee.

The Bet Aviv digital archives can be accessed at [betaviv.org](http://betaviv.org) through the *About Us* dropdown menu. A link to the Bet Aviv Archives is protected by a username and password.
