

Electrify Everything To Save The Planet,

Your Money & Your Health

Thurs, August 18 and/or Wed, September 7; both at 7 pm

Online Webinars include speakers

Doug Siglin and Monica O'Connor of [CCAN](#)

We can work together to:

- stop burning fossil fuels in homes/buildings
- educate ourselves and our community
- build a movement for healthy living spaces
- find out about methane monitoring locally

Join us and register for the zooms
