**Announcing "Sharing the Journey"
Bet Aviv Virtual Second Night Seder
Thursday, April 6th, 5-7pm
Seder Leader, Rabbi Linda Joseph**

Details:

√We will be using the Sharing the Journey Haggadah*, and a "Visual Tefillah" will bring the texts straight to your Screen. The page numbers will be annotated on the slides.

Purchasing a Haggadah is optional!

√The seder begins at 5pm, and we will eat around 5:50pm; 30 minutes will be provided for us to eat and schmooze together in small groups. Food should be ready to eat after the first half of the Seder.

√Being together and celebrating our freedom can be done with or without the symbols of Passover in front of you. You will see them virtually online. However, if you want to go to the extra effort, please have on hand:

- Candlesticks, Candles and Matches

- Bowl of Water, Natla (hand washing cup) and Towel
- 3 Matzahs covered by a Cloth (and more for your meal)
- Seder Plate with the following symbols: Shankbone, Roasted Egg, Bitter Herbs, Charoset, Bitter Lettuce, Green Vegetable
