Day Resource Center

Very important to the Grassroots community and desperately needs the items on the list.

Luminus

In Columbia, this organization provides much need support to the immigrant Afghan women, who need items that can help them while they acclimate to living in our community.

Your support for these organizations is very much appreciated. You can see the lists of needed items for each organization on the attached flyers.

Please drop of your donation in bags at ***OMI between 1 pm and 3 pm*** with our trunks open for collection. You just need to put the bag in the appropriate trunk and off you go with a big “*Thanks.*”

Terri Clayman's trunk will be open for Day Resource Center.

Gayle Miller's trunk will be open for Luminus.

Sheila Schneider's trunk will be open for Cradlerock Elementary School

- New dry erase boards specifically for our Reading Team who use them in student interventions. [Amazon link](#)
